Bo'ness Town Council Finding Aid

This finding aid contains lists of records of Bo'ness Town Council, including Council Committees and departments. Records of the Dean of Guild Court are listed in a separate finding aid.

Bo'ness (Borrowstounness) was made a Burgh of Regality in 1668, a Burgh of Barony in 1748 and a Police Burgh in 1883. The Burgh was incorporated in 1903. Local Government originated with the Bo'ness Harbour Trustees in 1744. The Trustees became Town and Harbour Trustees in 1843 with enlarged powers. In 1883 the Trustees were replaced by Police and Burgh Commissioners who were in turn replaced in 1903 by Bo'ness Town Council. In 1975 Bo'ness and the surrounding area became part of Falkirk District. Previously the surrounding area had been part of the County of West Lothian.

Bo'ness Town Clerk

The office of Town Clerk in Bo'ness pre-dates the establishment of Bo'ness Town Council. The Harbour & Town Trustees and the Police & Burgh Commissioners employed local solicitors as clerks and the office of Town Clerk evolved out of these appointments. The Town Clerk kept the minutes, correspondence and other administrative records of the local authorities and acted as their legal adviser. The post ceased to exist with the abolition of Bo'ness Town Council in 1975 and the functions were mainly transferred to the Chief Executive or to the Director of Law & Administration of Falkirk District Council.
