<i>Reference No</i>	<i>Date</i>	<i>Description</i>
A094.001	Apr 1873	Advertisement for sailings of steamers between Grangemouth and Newcastle and Middlesborough

**Grangemouth Dockyard Co Ltd**

Grangemouth Dockyard Company was established in 1885 by William Miller and Samuel Pophouse Jackson. The company started with a shipbuilding yard in Grangemouth and in 1888 acquired two yards in Alloa and Ardrossan. In 1900 a yard was acquired in Greenock and the company re-named the Grangemouth and Greenock Dockyard Co. In 1908 the company was incorporated as the Greenock and Grangemouth Dockyard Co Ltd. In 1918 the Greenock yard was sold to Cayzer, Irvine & Co Ltd and the company re-named the Grangemouth Dockyard Co Ltd. In 1967 it became part of the Swan Hunter Group and then became a British Shipbuilders subsidiary after nationalisation. It reverted to being a private company in 1984 and in 1987 it went into liquidation

From 1885-1972 the company built ships. In 1972 it stopped building ships and concentrated entirely on repairs.

Related photograph collection of ships built by Grangemouth Dockyard Co in Falkirk Museums.

A675.188	23 Dec 1957-03 Jan 1963	Stock Receipt Book, Ironmongery. Ship Nos 521, 522, 526,527,528,529. Lists ironmongery used
A675.189	(Circa 1957)	Repairs Book Ironmongery. Contains rough list of ironmongery used on various ships. All entries have been subsequently scored out.
A675.190	17 Dec 1953-24 Mar 1955	Stock Receipt Book. Ironmongery. Ship Nos 506,507,508. Lists ironmongery used
A675.192	12 Sep 1947-13 Jul 1956	Stock Receipt Book. New ships celotex hardboard and lino. Lists quantities of materials used
A675.193	29 Aug 1947-19 May 1950	Stock Receipt Book. New ships plywood. Contains lists of plywood used for specified purposes. Indexed by ship/yard number
A675.194	18 Nov 1947-28	Time Book. Repair work. Lists staff, work undertaken and

	Jan 1948	time taken to complete.
A675.195	22 Nov 1952-12 Nov 1954	Repairs Book. Ironmongery. Contains lists of ironmongery used on specific vessels.
A675.196	05 Jul 1946-06 Nov 1952	Orders Register Book, Ironmongery. Contains list of material ordered, from whom and corresponding order number.
A675.197	08 Aug 1952	Stock Book, Ironmongery Required. Contains lists of materials needed for specified vessels and yard plant. All entries subsequently scored out.
A675.198	30 Nov 1951-14 Jun 1952	Stock Receipt Book. Ironmongery. Ship nos. 497, 498, 501, 502 and yard plant. Lists ironmongery used.
A675.199	1949	Stock Book. Joiner's ironmongery. Contains inventory list of ironmongery in stock.
A675.200	04 Jun 1949-11 Mar 1950	Repairs Book. Ironmongery. Contains list of materials used on repairs to specified vessels.
A675.201/01	17 Jun 1965-04 May 1966	Fitting sheets. Ship nos. 536 and 537. Engineers store.
A675.201/02	23 Jun 1966-28 Oct 1966	Fitting sheets. Ship no.538. Engineers store.
A675.201/03	11 Jan 1967-22 Feb 1968	Fitting sheets. Ship nos. 539 and 540. Engineers store.
A056.001	1971-1972	Log book used by Grangemouth Dockyard to log repairs carried out on ships.
A056.004/01	1967	Oil specification for Norwinch Hydraulic Equipment.
A056.005/02	Mid 20th Century	Fly to auxiliary seat plan for seats K & L, for ship nos 511-514 (the Sanguity, the Alfred Everard, the Ethel Everard and the Fred Everard).
A056.005/03	16 May 1956	Letter with record of overboard discharges from ship number 511- 514 (the Sanguity, the Alfred Everard, the Ethel Everard and the Fred Everard).
A056.005/04	01 May 1957	Amendment detailing changes to ships' side suction and discharges on ship nos 513 & 514 (the Ethel Everard and the Fred Everard).
A056.005/05	16 Aug 1955	List of fittings still to be delivered for ship nos 512 (the Alfred Everard) & 511 (the Sanguity).
A056.005/06	1950s	Plan of pump and valves near main engine
A056.005/07	Apr 1957	Plan of crankshaft and main engine deflections, and deflection readings, for ship nos 511-514 (the Sanguity, the Alfred Everard, the Ethel Everard and the Fred Everard).
A056.005/08	Jul 1956	Letter detailing recommendations for building the Sanguity (ship no 511).
A056.005/09	29 Aug 1956	Letter from Crabtree Ltd to Grangemouth Dockyard Co detailing arrangements for completing construction of the stern gear of ship no 512 (the Alfred Everard).
A056.005/10	10 May 1957	Letter from the Newbury Diesel Co Ltd regarding the propeller of ship number 512 (the Alfred Everard).
A056.005/11	16 Dec 1957	Letter to F T Everard & Sons asking for parts for ship no 514 (the Fred Everard) to be sent.
A056.005/12	May 1958	Invoices from Mobile Oil Company Ltd for oil deliveries to Grangemouth Dockyard Co.
A056.005/13	01 Jan 1957	Invoices for supplies used to repair ship number 514 (the Fred Everard).
A056.005/14	1950s	List of nameplates for ship numbers 511 & 512 (the Sanguity and the Alfred Everard).
A056.005/15	17 Oct 1957	Dock trial programme for ship number 513 (the Ethel

		Everard).
A056.005/16	18 Nov 1953	Memorandum stating engine numbers of ship numbers 511 and 512 (the Sanguity and the Alfred Everard).
A056.006/01	1950s	List of nameplates for ship number 515 (the Tarinna).
A056.006/02	Sep 1954	Sketched plan showing cast iron vertical sliding watertight door for ship number 515 (the Tarinna).
A056.009	01 Mar 1954	Catalogue for Viking Johnson pipe couplings.
A056.010/02	1950s	List of spares for single acting MAN 4 cycle marine diesel engines, for ship number 519 (the Westcliffe Hall).
A056.010/03	06 Dec 1956	List of telegraphs and control gear for ship number 520 (the Eaglescliffe Hall).
A056.010/04	07 Dec 1956	Letter from A Robinson & Co Ltd outlining changes to telegraphs and control gear for ship number 520 (the Eaglescliffe Hall).
A056.010/05	13 Feb 1957	Letter from A Robinson & Co Ltd proposing changes to the design of the Eaglescliffe Hall (ship number 520).
A056.010/06	06 Dec 1956	Operation manual for telegraphs and control gear for ship number 520 (the Eaglescliffe Hall).
A056.010/07	Mar 1957	Letters between Grangemouth Dockyard Co and Lloyd's Register of Shipping about speed restrictions on ship numbers 519 & 520 (the Westcliffe Hall and the Eaglescliffe Hall).
A056.010/08	04 Feb 1957	Letter concerning the arrival of Dr Biber of M.A.N. and Dr Zink of Renk at Grangemouth on 5th Feb 1957, relating to the Eaglescliffe Hall (ship no 520).
A056.010/09	26 Apr 1957	Table showing engine and tachometer speed of ship number 520 (the Eaglescliffe Hall).
A056.010/10	06 Dec 1956	Invoice for petrol delivery to Grangemouth Dockyard Co for ship number 520 (the Eaglescliffe Hall).
A056.010/11	17 Jan 1956	Letter to the British Tyre & Rubber Co Ltd regarding delivery of cutless bearings for ship number 519 (the Westcliffe Hall).
A056.010/12	24 Oct 1955	Letter from T S Forrester & Sons Ltd relating to machining of rudder stocks for ship numbers 519 & 520 (the Westcliffe Hall and the Eaglescliffe Hall).
A056.010/13	1950s	List of nameplates for ship number 519 (the Westcliffe Hall).
A056.010/14	28 Feb 1956	Memorandum for modification of plans of ship numbers 519 & 520 (the Westcliffe Hall and the Eaglescliffe Hall).
A056.010/15	1950s	List of pads for sea inlet valves for ship number 519 (the Westcliffe Hall).
A056.010/16	1950s	Operating instructions for Renk marine reverse gears.
A056.010/17	1950s	Plans for coupling side of starboard and portside engines for ship numbers 519 & 520 (the Westcliffe Hall and the Eaglescliffe Hall).
A056.010/18	1950s	Plans showing arrangement of flywheel and reversing gear for ship numbers 519 & 520 (the Westcliffe Hall and the Eaglescliffe Hall).
A056.010/19	1950s	Plan showing position of gear on F O bunkers for ship numbers 519 & 520 (the Westcliffe Hall and the Eaglescliffe Hall).
A056.010/20	15 Oct 1955	Plan for starting air receiver for main engine for ship numbers 519 & 520 (the Westcliffe Hall and the Eaglescliffe Hall).
A056.010/21	01 Sep 1954	Instructions pamphlet for Wulfel engineering coupling. In

		German.
A056.010/22	20 Sep 1955	Instructions on the operating method and actuation of electrical engine control.
A056.010/23	15 Oct 1956	Report and suggestions on the design of ship number 520 (the Eaglescliffe Hall).
A056.010/24	Aug 1956	Report on the construction of a refrigerating plant on ship number 520 (the Eaglescliffe Hall).
A056.011/02	13 Sep 1966	Plan of Kort Nozzle number C.204, rudder type.
A056.011/03	May 1967	Record of main engine crankshaft deflections for the M.V. Carway (ship no 538).
A056.011/04	06 Dec 1966	Specification of engine room pipe work in accordance with drawings.
A056.011/05	1960s	Record of resilient rubber mounting pads for ship number 538 (the Carway).
A056.011/06	21 Apr 1966	Letter to Mirrlees National Ltd, regarding the testing of ship number 538's engine (the Carway).
A056.011/07	1960s	Instructions for Buffix Separator, for cleaning and drying compressed air or steam.
A056.011/08	21 Dec 1966	Letter stating that the colour coding specifications have altered for ship number 538 (the Carway).
A056.011/09	02 Jan 1967	Invoice from Alfa- Laval for coupling and connectors for ship number 538 (the Carway).
A056.011/10	20 Apr 1967	List of electrical items for ship number 538 (the Carway).
A056.011/11	17 Apr 1967	List of jobs for ship no 538 (the Carway).
A056.011/12	01 Dec 1956	Installation & maintenance instructions for Teddington type YM thermostat.
A056.011/13	15 Nov 1966	Memo stating that ship number 538 is called Carway and its port of registration is unknown.
A056.011/14	1960s	Instructions for installation of electric flow indicator.
A056.011/15	01 Mar 1961	Instructions for class 9012 pressure switch.
A056.011/16	1960s	Instructions for Vulcan E Z couplings.
A056.011/17	01 Jun 1965	Instructions for single pole pressure controls
A056.011/18	1960s	Memo stating that bow thrust unit should be supplied with Mobil D T E oil heavy.
A056.011/19	25 Jan 1967	Memo concerning the position of auxiliary seat Y in ship number 538 (the Carway).
A056.011/20	27 Dec 1965	Plan of oil heater for ship number 538 (the Carway)
A056.011/21	19 Apr 1967	Invoice for boiler for ship number 538 (the Carway). Also includes report on ship once boiler was fitted.
A056.011/22	13 Apr 1967	Receipt for Torsionmeter equipment.
A056.011/23	30 Dec 1966	Memo stating the withdrawal of order for electrical points for ship number 538 (the Carway).
A056.011/25	18 Oct 1966	Receipt for the application of the steering gear for ship number 538 (the Carway).
A056.011/26	1960s	Memo stating the amount of lubrication oil left in main engine of ship number 538 (the Carway) after trials.
A056.011/27	12 Apr 1967	List of work outstanding for tradesmen working on ship number 538 (the Carway).
A056.011/28	11 Apr 1967	List of dock trials and tests for ship number 538 (the Carway).
A056.011/29	11 Apr 1967	Programme of revised sea trials for ship number 538 (the Carway).
A056.011/30	19 Apr 1967	Instructions for alterations to pipelines for tanks and fitting of permanent iron ballast for ship number 538 (the Carway).

A056.011/31	28 Apr 1967	Instructions to reposition water header tank.
A056.011/32	21 Apr 1967	Receipt for delivery of oil by Mobil Oil Company Ltd for the Carway (ship no 538).
A056.011/33	31 Mar 1967	List of notes taken during an on board visit to ship number 538 (the Carway).
A056.011/34	11 Nov 1966	Letter from Mirrlees National Ltd concerning electrical work for ship number 538 (the Carway).
A056.011/35	04 Apr 1967	List of dock trials and tests for ship number 538 (the Carway).
A056.011/36	25 Jan 1967	Cover letter from British Pleuger Submersible Pumps Ltd for three handbooks relating to a Pleuger thruster.
A056.011/37	05 Apr 1967	List of instructions for tradesmen working on ship number 538 (the Carway).
A056.011/38	02 Feb 1967	Letter concerning a replacement lube oil suction elbow for ship number 538 (the Carway).
A056.011/39	16 Mar 1967	Instructions on how to install CO2 gas on ship number 538 (the Carway).
A056.011/40	01 Mar 1967	Letter from Elder Dempster Lines Ltd concerning the ordering of fuel and lubricating oil.
A056.012/01	01 Jan 1961	Installation guidance notes for Paxman diesel engines.
A056.012/02	04 Apr 1961	Plan of barring gear arrangements for BSCDM8 type engine.
A056.012/03	15 Mar 1961	Plan showing arrangement and thrust block of BSCDM8 type engine.
A056.012/04	31 Aug 1956	Plan showing arrangement of gland packed rudder carrier.
A056.012/05	06 Jul 1962	Plan showing arrangement of BSCDM8 engine, Twiflex, coupling and thrust for ship numbers 530 and 531 (the Pelayo and the Palomares).
A056.012/06	Aug 1962	Plan showing arrangement of refrigerating machinery and diagram of freon connections for ship numbers 530 and 531 (the Pelayo and the Palomares).
A056.012/07	Jun 1962	Plan showing layout of Kidde CO2 total flood system for engine room for ship numbers 529-531 (the Pacheco, the Pelayo and the Palomares).
A056.013/02	1960s	Dock trial programme for ship number 520 (the Eaglescliffe Hall).
A056.013/03	Mar 1957	Plan showing assembly and maintenance of marine intermediate shafts.
A056.013/04	21 Apr 1959	Record of crankshaft alignments for ship number 525 (the Cowdray).

**Leith, Hull & Hamburg Steamship Co**

The Leith, Hull & Hamburg Steam Packet Co shipped goods throughout the UK and Europe. The Company was incorporated in 1880 with the registration number SC000959.

**P. & W. MacLellan Ltd**

P & W MacLellan was established in 1839 by Peter and Walter MacLellan as ironmongers in Glasgow. The brothers purchased Clydesdale Foundry in 1865 and branched into teak importing, and steel and iron developments. The company was incorporated in 1890 as P & W MacLellan Ltd. The company took over the Forth Shipbreaking Yard, Bo'ness just after the First World War and sold the shipbreaking yard in the 1960s. In 1997, P & W MacLellan plc became Haden MacLellan Holdings plc and then Infant plc in 2000.

Related photographs in Falkirk Museums: photographs of ships being broken up at Bridgeness and Bo'ness.

Records of P & W MacLellan are held by Glasgow University Archives
