Polmont Old Parish Church finding aid

Polmont North Parish Church

Polmont Parish was disjoined from Falkirk by the Commissioners of Teinds on 22 July 1724 as a quoad omnia parish. In 1929 with the union of the Church of Scotland and the United Free Church of Scotland, the congregation took the name Polmont North Church. The name Polmont Old was adopted in 1977 when Polmont South Church changed its name to Brightons Parish Church. Redding and Westquarter Church was run as a church extension charge from Polmont North. The congregation was linked with Shieldhill from 10 September 1961 to 1 November 1963.

The Church of Scotland Kirk session for Polmont Old sat in the Presbytery of Linlithgow and Falkirk and from 1976 in the Presbytery of Falkirk
