Falkirk Town Council

Falkirk Town Council was established in 1833 following the Burgh Reform Act of 1833 which created parliamentary burghs and gave the new parliamentary burghs the right to elect town councils and to elect a member of parliament. The Town Council was abolished in 1974 following the Local Government (Scotland) etc Act, 1973, and its powers transferred to Falkirk District Council.

Falkirk Burgh Chamberlain

The Burgh Chamberlain was responsible for the financial accounts of Falkirk Town Council and its predecessors. Part of the Chamberlain's duties included the compilation of annual assessment rolls (or valuation rolls) and the collection of rates based on these annual assessments. The post ceased to exist in 1975 when Falkirk Town Council was abolished and the functions were transferred to the Director of Finance of Falkirk District.

Access arrangements

The general ledgers (all records with reference code beginning A856) are held at an off-site store and three days advance notice is required for access to these records.

Valuation and rating

Valuation Rolls were first compiled in 1855 as a result of the Lands Valuation (Scotland) Act 1854. Valuation Rolls were produced annually from 1855 to 1988. Separate rolls were compiled for burghs and for counties. Parochial boards also compiled assessment rolls. They were used to establish the rateable value of property which provided the basis for local taxation and assessments on local services. Following local government re-organisation valuation rolls became the responsibility of Regional Councils. The valuation system was abolished in 1989 and replaced by the Community Charge.
