### Forbes of Callendar Papers finding aid Part 6 – Copper business of William and David Forbes

This collection consists of 36m of records from 1531-1974. The records have been arranged into twenty eight series (see introduction for details) and the finding aid has been separated into these series to make it easier to download from our website.

Part 6 consists of the correspondence and business papers of the coppersmith business owned by William Forbes in London and sold to his younger brother David Forbes in 1794 after William moved permanently to Callendar House.
